

# NATURE'S SOLUTION™

## Bio-Enzymatic Deodorizer Spotter Digester

### DESCRIPTION

A unique triple strain bacterial system that produces enzymes which rapidly destroys odors, removes organic stains and liquifies grease. This product provides a natural way for eliminating odors at their source while being environmentally safe. This product incorporates biodegradable surfactants, chelating aids, penetrants, odor counteractants and non-pathogenic, highly active bacteria cultures for superior deodorization, organic spot removal and grease digestion.

### PRODUCT FEATURES / BENEFITS

- Environmentally Safe / Will not harm plants, marine or animal life
- Multiple Uses / Used for controlling odors, stain removal and liquifying of greases
- Multiple Strain Bacterial System / Improves performance in Aerobic & Anaerobic conditions and resistant to very hot water
- Higher concentration of bacteria / Multiplies rapidly and works faster than conventional products
- Utilizes stabilized natural enzymes / A natural solution to cleaning and deodorizing

### DIRECTIONS FOR USE

A multi-purpose bio-enzymatic deodorizer, spotter and digester. Use for odor elimination, stain removal and drain line maintenance. Product can be used on carpets, fabric, rugs, upholstery, toilet bowls, urinals, bathroom surfaces, portable toilets, grease traps, drains, cesspools, drain fields, lagoons, sump pumps and sewage plants.

SHAKE BEFORE USING:

**General Deodorization:** Spray product directly on malodor. The odor will be neutralized while the bacteria digests the organic material.

**Restroom Deodorization:** Spray directly into bowl or urinal, then flush. Spray surfaces and surrounding areas for additional deodorization.

**Uric Acid Odor Elimination:** Remove solid matter from soiled surface. Spray product onto uric acid deposits. Allow product to remain on surface.

**Carpet Spotting:** Remove excess soil with all purpose cleaner. Test for color fastness in an inconspicuous area. Spray product onto surface. Lay white cloth to prevent evaporation over area for one hour. Then clean area with extraction method. Repeat procedure if stain is not completely removed.

**Laundry Pre-Spotting:** Spray soiled areas before washing.

**Grease Traps:** For small grease traps less than 20 cubic feet pour 6-8 ounces daily into sink or pipeline closest to the trap. For large grease traps, use 8-10 ounces daily.

**Drain Lines:** Use 4-6 ounces twice a week. For heavily used lines use on a daily basis.

**Septic Tanks:** Add 1 quart for initial treatment. Thereafter use 8 ounces per week by flushing down toilet.

**Portable Toilets:** Add 1 gallon directly into toilet and cover solids with water to aid digestion. Repeat procedure every time toilet is pumped.

**Boats and Recreational Vehicles:** Add 2 ounces per gallon of water in hold tank. Then use 1 pint per week for maintenance.

### SPECIFICATIONS

Color .....	Milky white
Odor .....	Herve Outdoors™
pH .....	8.5
Viscosity (cps) .....	Water thin
Specific Gravity (g/cc) .....	1.00 ± 0.01
Density (lbs/gal).....	8.3 ± 0.1
Solubility .....	Complete in water
Acids .....	None
Caustics .....	None

Solvents .....	None
Flash Point .....	Non Flammable
Surface Compatibility .....	Safe for all water washable surfaces
Organic Spot Removal .....	Excellent
Organic Odor Elimination .....	Excellent
Grease Digestion .....	Excellent
Concentration of Bacteria .....	Over 100 billion/gal
Shelf Life .....	1 year in original unopened container.
.....	Do not store in sunlight.
Storage .....	Keep from freezing

### SAFETY INFORMATION

**KEEP OUT OF THE REACH OF CHILDREN.**

**Precautionary statement**

**Prevention:** Observe good industrial hygiene practices.

**Response:** Wash hands after handling.

**Storage:** Store away from incompatible materials.

**Disposal:** Dispose of contents/container in accordance with local authority requirements.

This product is not known to be a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

All components are on the U.S. EPA TSCA Inventory List.

**Additional safety measures:**

Read the entire label and SDS before using this product, and for additional first-aid measures. SDS for this product is available on the web at [www.nclonline.com](http://www.nclonline.com)

Authorized by USDA for use in federally inspected meat and poultry plants.

For Commercial and Industrial Use Only
