

TREATCO

Oil Type Floor & Mop Treatment

DESCRIPTION

Easy to use oil type mop, dust cloth and floor treatment. Highly effective dust mop treatment made from refined, high-flash mineral oils, dust attractants, fresheners and special cleaners.

PRODUCT FEATURES / BENEFITS

- Safe on wood floors / Will not warp or damage wood floors
- Multi-functional / Can be used as a furniture polish
- Protects and beautifies / Saves labor while producing a clean environment
- Reduces airborne dust / Eliminates maintenance problems
- 100% active formula / Allows for most economical use

DIRECTIONS FOR USE

This is a specially compounded liquid mop and floor dressing for use on dust mops. It is important that it should be used sparingly. Reduces maintenance problems since it eliminates excessive airborne dust.

Initial Preparation:

To initially prepare untreated dry mops for use on resilient floors (including vinyl, asphalt, rubber and linoleum) apply the amount of TREATCO recommended in the table below to the mop, allow it to stand and absorb into the mop fibers for at least 8 hours before using. Treat dry mops for use on wood floors with the amount of TREATCO recommended in the table below to the mop, allow it to stand and absorb into the mop fibers for at least 8 hours before using.

Size of Mop	Resilient Floors	Wood Floors
12" - 18 "	3-5 oz.	6-10 oz.
24" - 30"	8 oz.	16 oz.
36" - 42"	12-16 oz.	24-32 oz.
48"	16 oz.	1 quart (32 oz.)

After mopping the floor with a treated dry mop, shake out loosely clinging dirt from the mophead to keep it clean. Store dry mops hanging up not on the floor.

Maintenance Instructions:

Wash dirty dust mops with detergent and water. Dry and retreat following instructions for initial preparation.

NOTE: Do not apply TREATCO directly to the floor. If too much treatment is left on the floor and it is slippery, use a dry untreated dry mop to absorb the excess.

SPECIFICATIONS

Color.....	Straw
Odor.....	Banana
Flash Point (°F TOC).....	156
Viscosity (cps).....	< 30
Kauri-Butanol Value.....	27
Specific Gravity (g/cc).....	0.82 ± 0.01

Density (lbs/gal).....	6.8 ± 0.1
Dust Absorbancy.....	Extremely high
Actives (%).....	100
Shelf Life.....	1 year minimum in original unopened container

SAFETY INFORMATION

WARNING: COMBUSTIBLE LIQUID. KEEP OUT OF THE REACH OF CHILDREN.

Prevention: Keep away from heat/sparks/open flames/hot surfaces. - No smoking. Wear protective gloves/eye protection/face protection.
