Anti-Microbial Hand Cleaner With PCMX

DESCRIPTION

A rich pearlized antimicrobial soap for hand and body care. Provides exceptional cleaning and user appeal. Modern conditioners and emollients are blended to create a skin care product which is ultra mild to the skin. Fortified with PCMX antimicrobial agent to control germs and transient bacteria. Effective against many gram negative, gram positive bacteria, fungi and yeast. Product richness is accentuated by its pleasant cherry almond fragrance and abundant soothing lather. pH balanced.

PRODUCT FEATURES / BENEFITS

- Antimicrobial formulation / Controls germs & transient bacteria
- Contains modern conditioners & emollients / Ultra mild to skin
- Pleasant cherry almond fragrance & abundant lather / Leaves no residue on skin

DIRECTIONS FOR USE

FOR HAND CLEANING: For best results wet hands before application of hand cleaner. Work into a lather using a massaging motion, paying particular attention to creases and nails. Rinse completely and dry.

FOR BATHING and SHOWERING: Apply product to palm of hand or wash cloth, add a small quantity of water and work into a rich lather. Bathe, rinse and dry in your accustomed manner.
