

Evergreen™ Finish

Super-Durable Green Sealer/Finish

DESCRIPTION

EVERGREEN™ FINISH marks a milestone in floor finish technology. Using cutting edge DURA-TECH™ polymer technology, this product exhibits exceptional wear and long lasting durability characteristics. Superior gloss and response when buffed with any speed equipment, EVERGREEN™ FINISH creates a new benchmark for green-certified floor finish performance.

EVERGREEN™ FINISH Super-Durable Green Sealer/Finish is recommended for use in Federal, State and Local Government Offices, Military Bases, Municipal Facilities, Day Care Centers, Hospitals, Nursing Homes, Office Buildings, Parks and Recreation Centers, Schools, Universities, Hotels, Lodging and any facility sensitive to environmental and human health characteristics.

PRODUCT FEATURES / BENEFITS

- Technologically advanced DURA-TECH™ formula. Promotes long lasting wear and durability.
- Contains no heavy metals that can be harmful to the environment and aquatic life.
- Contains no environmentally harmful surfactants, no glycol ether based solvents, no ethanalamine, and no environmentally toxic preservatives.
- Responds to burnishing with 300 - 2000 RPM equipment
- Sealer / Finish combination simplifies floor care maintenance and controls product costs.

DIRECTIONS FOR USE

Initial Floor Preparation: Completely remove the existing floor coating using recommended products. When starting an “environmentally responsible floor finish program” it is important to start with a bare floor. Make sure that the floor is clean and completely dry.

Application: Using a clean mop or applicator apply a thin uniform coat of Earth Sense® EVERGREEN™ FINISH. Allow to dry for a minimum of 30 minutes after each coat. Do not apply more than 4 coats in a 24 hour period.

High Speed Buffing and Burnishing: This is an ideal product for use with any speed polishing or burnishing equipment (electric, battery or

propane). For high speed buffing or UHS burnishing / restoration, use an NCL AQUA MAGIC Buffing Pad with POP & SHINE Gloss Restorer.

Maintenance: Maintain by dust mopping daily using mop treated with CONTROL Dust Mop Treatment. Damp mop or clean with an automatic scrubber as required, using Earth Sense® pH NEUTRAL ALL-PURPOSE CLEANER.

Stripping: When stripping becomes necessary use a compatible Green Seal™ Certified EARTH SENSE® Stripper following instructions on the original product label.

SPECIFICATIONS

Specific Gravity (g/cc).....	1.03 ± 0.1
Density (lbs/gal)	8.6 ± 0.1
pH	7.9 ± 0.5
% Styrene (Free Monomer).....	0.0
Color	White, Opaque

Odor.....	Mild acrylic
Heavy Metals.....	None
Nonylphenol Ethoxolates.....	None
Environmentally toxic preservatives	None
Ethanalamine.....	None
Shelf Life.....	1 year minimum in original unopened container

ENVIRONMENTAL RECOGNITIONS

The EARTH SENSE® Seal of Assurance is self-certified by NCL, and identifies our products that are formulated to promote human health and worker safety with a preferred environmental profile.

This product meets Green Seal™ Standard GS-40 based on effective performance and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.

DISPOSE OF UNUSED PRODUCT IN ACCORDANCE WITH LOCAL, STATE AND FEDERAL REGULATIONS - PLEASE RECYCLE CONTAINER
